JUNE 2023

JUNETEENTH

FREEDOM DAY

Juneteenth A National Holiday

On June 19, 1865, enslaved African Americans in Texas were told they were free. A century and a half later, people across the U.S. continue to celebrate the day, which is now a federal holiday. Juneteenth marks our country's second independence day. Although it has long celebrated in the African American community, this monumental event remains largely unknown to most Americans.
